A large group of students and faculty posing in the snow in front of a brick building. The group is arranged in several rows, with some individuals kneeling or sitting in the front. They are dressed in winter attire, including jackets, hats, and scarves. The background is a red brick wall, and the ground is covered in snow.

I hope you are
happy and well.
I am well and hope
you are the same.
I am your friend,

DEDICATION OF THE CLASS OF 79

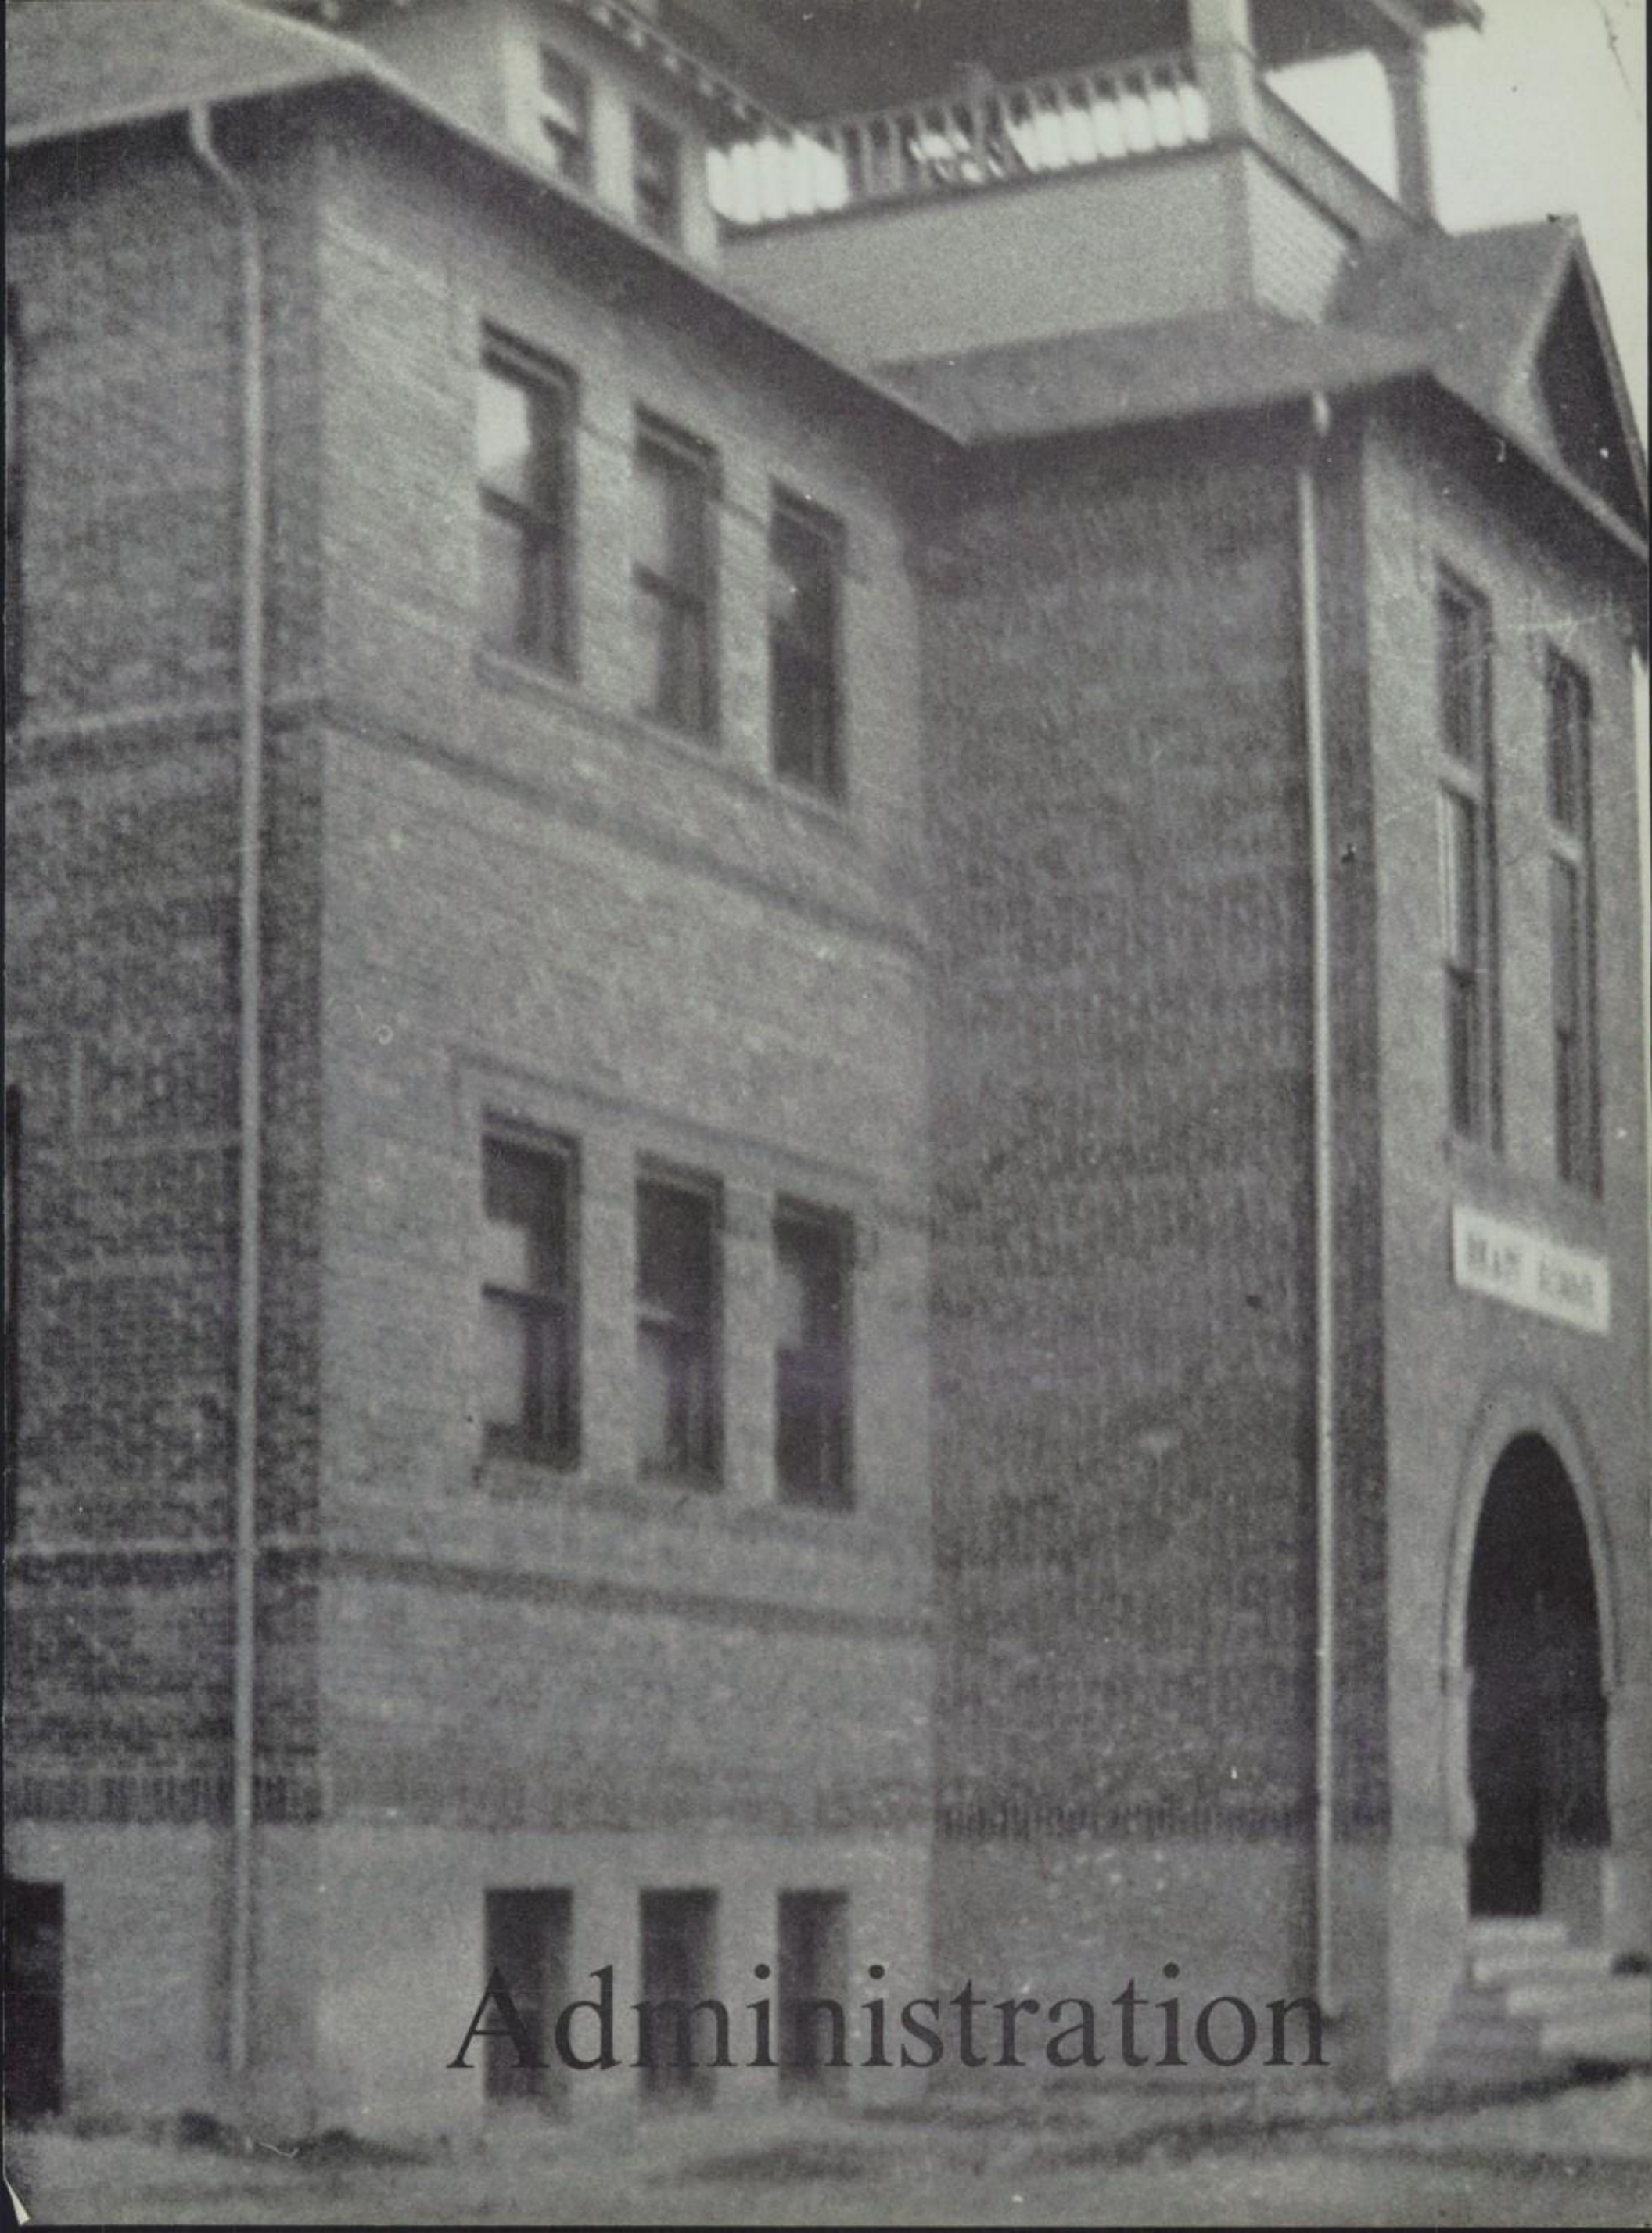

Mrs. Anna Schlepp

We dedicate our annual to Anna Schlepp because of her unfailing help in school activities. She has always supported the extracurricular functions at Brady High School. She's cooked for us, kept up the spirit at basketball games and organized potluck dinners. It's her spirit that has gotten many others more involved. We, the class of 1979, thank you.

Mr. Bob Morris.

This dedication is for Mr. Morris. We owe him many thanks. He drives the buses for girl's basketball, the pep bus for the boys, keeps score at ball games, and advises National Honor Society. Mr. Morris, you've taught us many things. We've learned the anatomy of an earthworm, Einstein's Law of Relativity, how our bodies work and the chemical breakdown of compounds. Mr. Morris, we would like to say thank you for the time you've spent with us, the class of '79', and how you've helped us prepare for the future.

The Graduating Class of 1929

Seniors

SENIORS BEGINNING

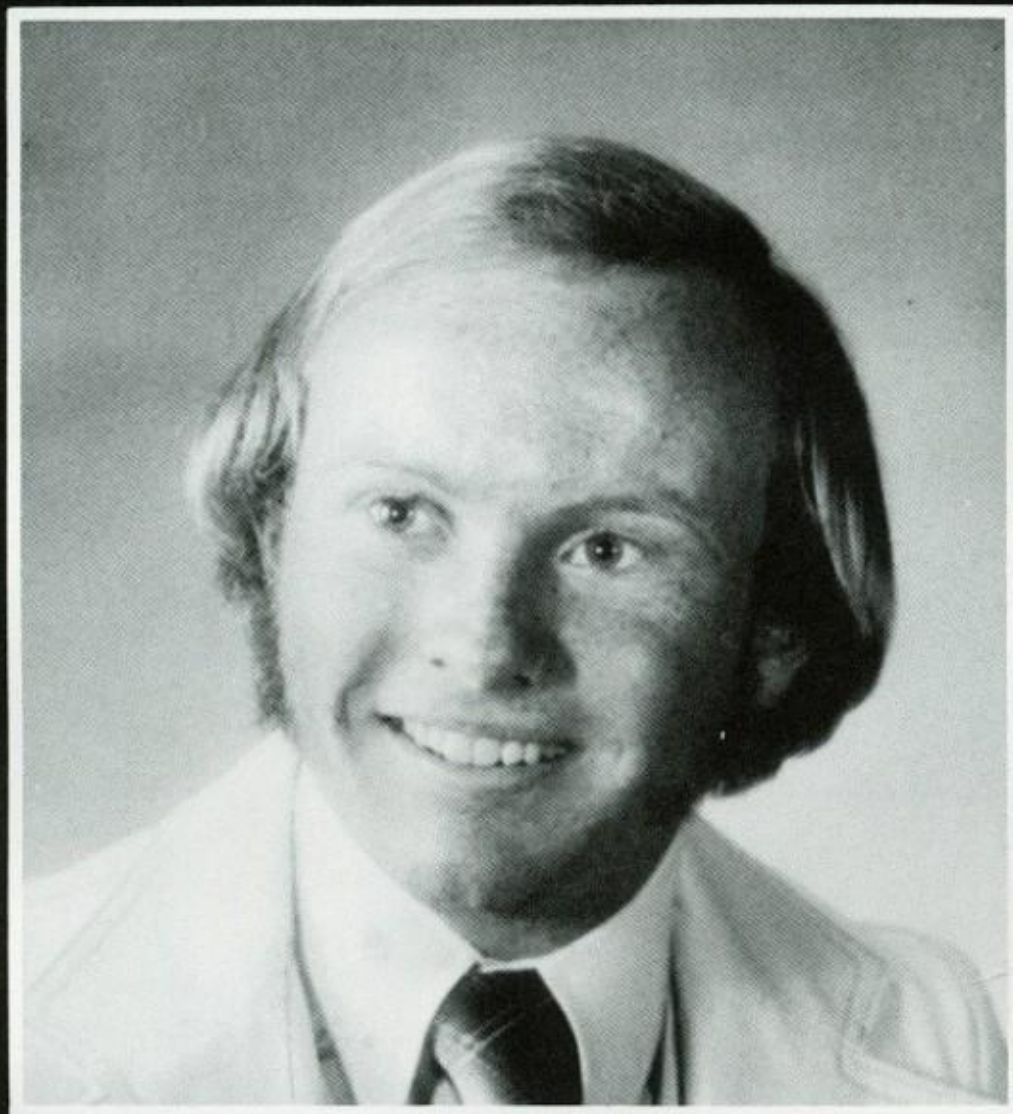

The History of the Class of 1979

In the fall of 1979, 14 eager youngsters came to Brady for their first day of school. They were Elaine Armstrong, Clark Baumann, Ronnie Campbell, Kelly Coughlin, Patti Dunn, Cindy Hemry, Gary Holm, Karla Kauk, Neil McOmber, April Olson, Del Styren, Mark Thompson, Leif Tokerud and Mark Tronson. These 14 advanced on to second grade and stayed through the third grade with the addition of Kenneth Neil. In fourth grade we lost Ken; we lost Leif Tokerud, Elaine Armstrong, and Ronnie Campbell. We gained five new class members: Lyle Arps, Donna Gilpin, Jack Hylton, John Mendenhall and April Rubens. Lyle and April stayed with us, but Donna, Jack and John left. Rick Molenda joined us for fifth grade and Gary Holm stayed back. Three students joined us in sixth grade: Ron Campbell came back, Tim Rossmiller and Debbie Hamma came from the Knees area. In the seventh grade, we gained five new students: Joy and Jody Carlbon, Jack Reimer, Jeff Gordon, and Dave Zigan. We gained and lost Carl Chewning in the seventh grade. We also lost Rick Molenda and Jeff Gordon; we gained Lin Soholt in the eighth grade. Our Freshman Class grew as we added two new students and one old one. Our new students were Mae Speed, and Tracey Young. Rick Molenda returned and April Olson departed our company. We lost Kelly Coughlin, Tracey Young, and Mae Speed in our Sophomore year. Karla Kauk and Mark Tronson left us during our Junior year. Kelly Coughlin and April Olson came back to our fold for our Senior year. They joined 14 other Seniors, who will graduate on May 21, 1979.

PRESIDENT'S MESSAGE

President Del Styren

On behalf of the class of '79', I have been honored to bid farewell to Brady High School. Many of us have not yet realized that we will not be returning to further our education at B.H.S., but we'll be opening the doors to a whole new life. We'll be leaving from what has been our homes for 18 years and will be stepping into an ocean of totally different water.

As our motto says; "you have to lose sight of the shore before you can discover new oceans", we'll have to put our younger years in the back of our heads and profit from our past experiences. We can discover what is out in the world waiting for each and everyone of us.

Tonight will be the last time that we will all be together as a group. We will have to say good-bye to the friends we have known and grown up with, to the school faculty who has given us so much, and the cooks and custodians who have made our school so much better.

We will walk out the school doors for the last time tonight and go into the world to search for a new lifestyle. There is one thing I hope each of us remembers; you can only get out of life what you put into it.

Del Styren

Each high school class elects three Student Council Members. These members are the classe's President, Secretary/Treasurer and Student Council Representative. The members serve one year terms and represent the interests of Brady High School Students. Student Council looks for ways to improve B.H.S. and tries to solve school problems. Student Council provides school leadership; it organizes and supervises selected school activities.

Student Council sponsored a benefit meal for Tom Boehm and his family. Student Council supervised the fall B.H.S. magazine drive. The members of Student Council held a blanket toss at the second Dutton-Brady basketball game. They raised \$37.10 for Multiple Sclerosis research. Student Council also does other activities.

April Rubens or Del Styren lead the school staff and students in the Pledge of Allegiance each morning. Del or April also give out each day's announcements.

NATIONAL HONOR SOCIETY

The qualifications for N.H.S. membership are high. The Brady High School teachers select juniors and seniors who've performed community service activities, provided school and community leadership and maintained a "B" average for two years. These N.H.S. members provide school leadership in academics, sports and other school functions. These students have collected and sold many aluminum cans, and held two bake sales to finance their annual activities. They have purchased new trees and will plant them on the school grounds.

The purpose of the Letter Clubs is to encourage participation in high school inter-scholastic activities. The clubs did such things as selling baseball caps and district tournament ads. They also held a beef raffle to raise money to pay for out-of-town meals. The girls held their annual banquet February 14, 1979, while the boys had their banquet April 17, 1979.

Officers are from bottom to top: Del Styren- President; Patti Dunn- Vice President; Debbie Hamma- Secretary; Rick Molenda- Sgt. of Arms.

S.A.E. also helped Miss Pemble and the elementary teachers put on Christmas and Halloween parties. S.A.E. members will visit different schools and bring back information on how to improve Brady High School.

PEP CLUB CHEERED US ON

Pep Club members cheer Brady teams to victory, generate school spirit, and sell food at the games. Pep Club decorates the school hall's, athlete's lockers and makes inspirational posters. Pep Club members sponsored a potluck supper and gave the varsity basketball team a good Divisional send-off. Pep Club sponsors a Spring Mother's Tea, which honors the Senior Mothers.

BRADY'S HEROES OF THE GRIDIRON

Coach Tweet began practice drills one week before school opened. Brady had 12 boys turn out for football. Coach Tweet gave us our equipment and we headed to the football field. Everyone had a good time and liked our new coach, Mr. Tweet. We won two games and lost five. The season was fairly successful, considering the experience of the players involved.

Standing, Left to Right: Coach Tweet, Tim Carter, Gary Holm, Greg Petersen, Rick Molenda, Lin Soholt, Tom Boehm, John Soholt, Kelly Coughlin, Rich Stevenson
Kneeling, Left to Right: Debbie Hamma, Jody Carlhom, April Rubens, Del Styren,
Managers: Robert Rouns and Barry Malone. Kathi Orcutt, Kelsey Kauk, and Karla Seidler.

Coach Tweet's Comments:

I was pleased with the team's performance. The boys who turned out worked hard and scored one or more touchdowns in every game. I hope the squad will be larger next year and the Bulldogs can have conference status.

Who's Got Who?

The girl's basketball team played well throughout the season, and they finished in second place. They worked hard to win the District Tournament; however their inexperience caught up with them and they finished fifth. It was a satisfying year mainly because a young team matured quickly, and the girls always thought of teamwork first. When everyone congratulated them, the girls said they enjoyed themselves, and that they are determined to win the District Tourney next year.

Coach Tweet's Season Comments:

I would like to thank all the players and Rollie Schlepp for the time and effort they put into last season. Few people realize the amount of co-operation it takes from everyone to have a successful season. I especially want to thank the bus drivers and cheerleaders for their enthusiastic support. The seniors deserve a special pat on the back. We looked to them for leadership and they really came through. I'm grateful to them because they made my first year of coaching an easier one. We had a successful year, even if we didn't go to the State Tournament. The team improved steadily all year and played their best game of the season against Box Elder. We almost beat the Bears and I'm proud of the Brady Bulldogs.

DISTRICT AND DIVISIONAL TOURNEY

I got the ball...

That away Del, miss again!

THE BULLDOG BARKS-

There are three seniors on the team that has been to Divisional the last three years. Four seniors have been on our state team the past two years. Each year, we've had the potential to win it, but have had to settle for third and fifth. Realistically, the team we have this year could be the last team to go to state, at least for the near future. We have seven seniors on the team and I hope the seniors will especially help propel us toward state. I also hope the community supports the team at state. We'd especially like to thank the parents and the Brady people for their generous support.

Tom pushes hard in
the 440 Relay.

Rich strains to win
the 440 Yd. Dash.

Kirby let's it fly. He will go to the
State Meet in missoula this year.
He'll compete in long and triple
jump.

Gary runs a good 440 Relay leg.

"The Handoff."

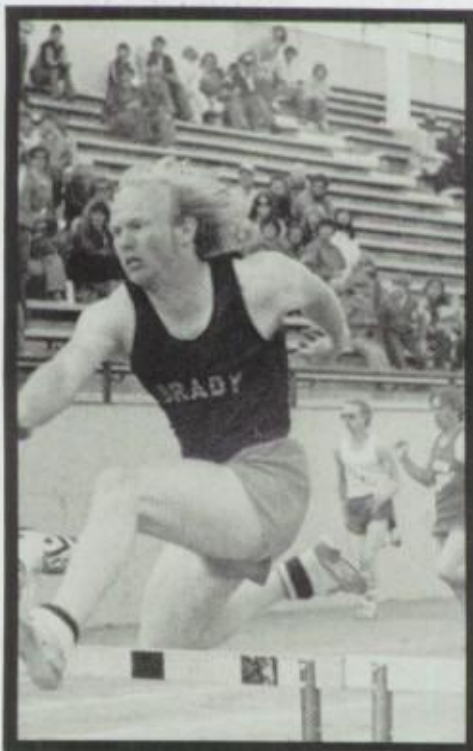

BOY'S TRACK—1979

Kirby leaps high in the triple jump. He took first place in the District Meet. He qualified for the long jump too and we wish him lots of luck.

Gary clears the bar in the pole vault. He will compete in the State Meet. He placed Fifth in the District Meet, clearing 11 Feet even.

Del runs hard in the 180 low hurdles. He took fourth in the District Meet. He won the right to compete in the State Meet and we hope he wins.

Our fans really supported the Bulldogs this year and the Senior Class thanks all of you.

GIRLS' TRACK—1979

Patti lets it fly! Patti placed fourth at the Divisional Meet and won the right to go to the State Meet in Missoula. She also threw, during the season, the shot and discus and ran in the 880 and the mile.

Molly, throw it far! Molly also threw the discus and ran in the mile run. She competed in the two mile run during the season too.

Merri, get it out there! Merri was a fierce competitor and always tried hard to win.

Go for it Glenda! Glenda also threw the discus and the javelin during the season.

GIRLS' TRACK—1979

Jump high, Julie! Julie is a versatile athlete; she competed in the long jump and ran the 220 and 440 yard dashes. Julie placed fifth in the high jump at the Divisional Meet and earned a trip to the State Meet in Missoula.

Up, Up, and Away! Kelsy contributed much to Girls' Bulldog Track. She did the high jump and the long jump. Kelsy also ran in the 220, 440, and the 880 yard dashes. She always worked hard and tried to better her time at each meet.

Stride it out, Kelsy

Stretch out there and win, April! April's specialty is the 80 Yard Low Hurdles. She took third place in this event at the Divisional Meet and did make it to the finals at the State Meet. April is a fierce competitor and sets her track goals high. She also competed in the 110 Yard Low Hurdles and ran the 880 Yard Dash this season.
